**IDD Services Advisory Committee**

8.

**Meeting Date:** 03/01/2022

**Title:** IDD Services Recommendations for Vendor Choice List

**Presented by:** Trudy Garcia, Quality Assurance Specialist 2

**AGENDA ITEM DESCRIPTION:**

Discussion and appropriate action on the recommendation from the Contract Subcommittee on the Request for Application (RFA) submission.

**BACKGROUND/HISTORY:**

To ensure an effective, efficient, and equitable service delivery system for individuals with intellectual and development disabilities (IDD), the Alamo Area Council of Governments (AACOG) subcontracts the IDD service array to a network of public and private Provider organizations. The IDD Services Advisory Committee (IDDSAC) fulfills a crucial role in the subcontracting process by ensuring that stakeholders' input plays a significant role in the local Intellectual and Developmental Disability (IDD) services planning and networking process, policy making, and service delivery design; including annual vendor rates, and vendor contracting. The Request for Application process is used by the IDD Services department to procure vendors to provide IDD safety net services for a set rate per service.

**DISCUSSION:**

AACOG received provider applications from a total of 15 applicants in response to procurement RFA-21-53-IDDS-PROVIDER Open Enrollment for IDD Services Array. In addition, 2 providers on the current service array did not submit applications by the procurement deadline. Both providers intend to re-apply when the next procurement occurs. The contracts subcommittee met on February 8, 2022 and recommended all 15 applicants to continue in the contracting process.

# Signify Referrals

## Referrals Received by Month

Signify is a coordinated system that was developed as a single point of entry for individuals living with Autism. Through this portal, individuals and families can access a care coordinator, who assesses their needs and navigates their connection to a network of available providers and resources. AACOG receives referrals through this portal for inquiries about services, benefit assistance, and requests to be placed on the interest list for the Waiver programs.
