This addendum includes a Revised Rate Budget Workbook, which replaces the version previously included in the original RFA. Applicants are required to carefully review the Questions & Answers, download and use the revised Excel file labeled "Revised 7\_17\_25 FFY2026 Uniform Rate Negotiation Budget Workbook", and incorporate all information from this addendum into their application submissions. Failure to use the updated workbook may result in disqualification.

**All other conditions of this RFA remain unchanged.**
