Alamo Area Council of Governments Collecting Supplies for Hill Country Floods
Contributions will benefit flood victims and first responders

San Antonio, TX— The Alamo Area Council of Governments (AACOG) is heartbroken by the devastating floods that blanketed Kerr County and surrounding areas within our region. AACOG has created an Amazon Wishlist to collect items urgently needed to offer support to families affected by the floods and first responders assisting in recovery efforts.

We are touched by the outpouring of support our partners, sister councils of governments, and organizations have expressed during this time. Organizations and individuals desiring to contribute may visit our Amazon Wishlist at [AACOG Disaster Relief Supply List](#) or by scanning the QR code below.

“AACOG is committed to providing support to the six counties in our region impacted by this tragedy. We will work diligently to distribute the supplies to as many affected areas as we can, and as fast as possible,” said Cliff Herberg, AACOG Executive Director.
