1.4 SERVICE PLAN

- A.** AACOG is designated as the AAA under contract with the Texas Health and Human Services Commission (HHSC). The authority on which this contract is based derives from the OAA, as amended, and its regulations.
- B.** Congress appropriates funds to implement the OAA and apportions those funds to the states. Within Texas, HHSC then allocates the apportioned funds to the AAAs for administration at the local level. HHSC awards these funds based on statistical factors such as population aged 60+ living in rural areas, and income levels of population aged 60+ in each of the Planning Service Areas (PSAs). The PSA for Alamo AAA includes twelve Alamo Counties (Atascosa, Bandera, Comal, Frio, Gillespie, Guadalupe, Karnes, Kendall, Kerr, Medina, McMullen, and Wilson counties) and Bexar AAA includes Bexar County.
- C.** Alamo and Bexar AAA then allocate funds to prioritized programs within the PSA based upon an Area Plan approved by HHSC. The Area Plan identifies prioritized older adults' services. Alamo and Bexar AAA finally award a significant portion of funding for those priority services to qualified sub-recipients who then furnish services on behalf of Alamo and Bexar AAA.
- D.** Alamo and Bexar AAA are seeking qualified Contractors to furnish and provide aging supportive services for Older Adults.
- E.** The Alamo and Bexar AAA reserves the right to modify the scope of services, including the addition of future delivery sites and the adjustment of service units, to address evolving program needs and priorities.
- F.** The Contractor shall be responsible for supplying all labor, materials and equipment necessary for the proper execution and completion of the work, and shall perform all services, as stated in the scope of work or reasonably implied there from and in accordance with contract documents.
- G.** The Contractor shall provide full-time supervision and properly skilled staff to perform the work required under this bid invitation. Unless specified to the contrary, all materials used shall be new and of the best kind and grades specified and all workmanship shall be up to the best recognized standards known to the various trades.
- H.** AACOG reserves the right to terminate or modify this contract at its sole discretion if federal funding supporting the Alamo and Bexar AAA program is withdrawn from its funding source(s).

1.5 CONTRACTOR REQUIREMENTS

- A.** The contractor must recognize the special needs and concerns of low-income, elderly and handicapped clients and must ensure that clients are always treated respectfully and professionally. The contractors' staff must always conduct themselves in a professional manner.
- B.** The work must be completed in a timely and expeditious manner. The contractor is expected to provide ongoing progress reports to Alamo and Bexar AAA indicating work schedule and work status. The contractor (work crew supervisor) is responsible for advising Alamo and Bexar AAA of any recommended changes; however, no changes will be authorized or paid for by AACOG without Alamo and Bexar AAA's prior written approval.

- D.** The contractor and its subcontractors are considered independent contractors and shall indemnify and hold harmless AACOG, AACOG staff, and AACOG clients from all claims arising out of work performed.
- E.** The Federal Privacy Act of 1974 and related state law and regulation regulate the proper disclosure of individually identifiable information and/or records. Contractors must take special precautions to protect confidential information from loss, authorized use, access, disclosure, modification and destruction.

To the fullest extent permitted by law, Contractor shall, with respect to all work or obligations covered by or arising out of the this RFA, or the performance thereof, indemnify, hold harmless and defend AACOG and each of its officers, partners, joint venture partners, representatives and/or employees from and against any and all allegations, losses, claims, actions, demands, damages, liabilities, or expenses (including costs, expenses and attorney's fees), arising directly or indirectly from this RFA, or the performance thereof.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY
AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS AND GRANTS**

Federal Executive Order 12549 requires the Texas Department of Aging and Disability Services (DADS) to screen each covered potential contractor/grantee to determine whether each has a right to obtain a contract/grant in accordance with federal regulations on debarment, suspension, ineligibility, and voluntary exclusion. Each covered contractor/grantee must also screen each of its covered subcontractors/providers.

In this certification "contractor/grantee" refers to both contractor/grantee and subcontractor/sub grantee; "contract/grant" refers to both contract/grant and subcontract/sub grant.

By signing and submitting this certification the potential contractor/grantee accepts the following terms:

1. The certification below is a material representation of fact upon which reliance was placed when this contract/grant was entered into. If it is later determined that the potential contractor/grantee knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the Department of Health and Human Services, United States Department of Agriculture or other federal department or agency, or the Texas Department of Aging and Disability Services may pursue available remedies, including suspension and/or debarment.
2. The potential contractor/grantee shall provide immediate written notice to the person to which this certification is submitted if at any time the potential contractor/grantee learns that the certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
3. The words "covered contract," "debarred," "suspended," "ineligible," "participant," "person," "principal," "proposal," and "voluntarily excluded," as used in this certification have meanings based upon materials in the Definitions and Coverage sections of federal rules implementing Executive Order 12549. Usage is as defined in the attachment.
4. The potential contractor/grantee agrees by submitting this certification that, should the proposed covered contract/grant be entered into, it shall not knowingly enter into any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Department of Health and Human Services, United States Department of Agriculture or other federal department or agency, and/or the Texas Department of Aging and Disability Services, as applicable.
Do you have or do you anticipate having subcontractors/sub grantees under this proposed contract? YES NO
5. The potential contractor/grantee further agrees by submitting this certification that it will include this certification titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion for Covered Contracts and Grants" without modification, in all covered subcontracts and in solicitations for all covered subcontracts.
6. A contractor/grantee may rely upon a certification of a potential subcontractor/sub grantee that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract/grant, unless it knows that the certification is erroneous. A contractor/grantee must, at a minimum, obtain certifications from its covered subcontractors/sub grantees upon each subcontract's/sub grant's initiation and upon each renewal.
7. Nothing contained in all the foregoing shall be construed to require the establishment of a system of records in order to render in good faith the certification required by this certification document. The knowledge and information of a contractor/grantee is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8. Except for contracts/grants authorized under paragraph 4 of these terms, if a contractor/grantee in a covered contract/grant knowingly enters into a covered subcontract/sub grant with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in the transaction, in addition to other remedies available to the federal government, Department of Health and Human Services, United State Department of Agriculture, or other federal department or agency, as applicable, and/or the Texas Department of Aging and Disability Services may pursue available remedies, including suspension and/or debarment.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS AND GRANTS

Indicate which statement applies to the covered potential contractor/grantee:

- 1. The potential contractor/grantee certifies, by submission of this certification, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this contract/grant by any federal department or agency or by the State of Texas.
- 2. The potential contractor/grantee is unable to certify to one or more of the terms in this certification. In this instance, the potential contractor/grantee must attach an explanation for each of the above terms to which he is unable to make certification. Attach the explanation(s) to this certification.

INSTRUCTIONS FOR ATTACHMENT E CERTIFICATION

1. By signing and submitting this proposal, the prospective contractor/grantee is providing the certification set out above.
2. The inability of a contractor/grantee to provide the certification required above will not necessarily result in denial of participation in this covered transaction. The prospective contractor/grantee shall submit an explanation of why it cannot provide the certification set out above. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective contractor/grantee to furnish a certification or an explanation shall disqualify such contractor/grantee from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which AACOG will rely if we enter into this transaction. If it is later determined that the prospective contractor/grantee knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government or us, AACOG may terminate this transaction for cause or default.
4. The prospective contractor/grantee shall provide immediate written notice to AACOG if at any time the prospective contractor/grantee learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact AACOG for assistance in obtaining a copy of those regulations (13 CFR Part 145).
6. The prospective contractor/grantee agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower-tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by AACOG.
7. The prospective contractor/grantee further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion Lower-Tier Covered Transactions," provided by AACOG, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower- tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows eligibility or that the certification is erroneous. A participant may decide the method and frequency by which it determines the ineligibility of its principals. Each participant may, but is not required to, check the No procurement List.
9. Nothing contained in the foregoing shall be construed to require the establishment of a system of records to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower-tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to AACOG, AACOG may terminate this transaction for cause or default.
