Issued By: Alamo Area Council of Governments (AACOG)

Issue Date: Aug 20, 2026

REVISED PROPOSAL SUBMISSION DEADLINE

Tuesday, August 25, 2026, at 4:00 p.m. CDT

Purpose of this Addendum

This Addendum is issued to provide updates, clarifications, revised solicitation documents, and additional proposal requirements for **RFP-26-02-JBSA – Fiber Optic Cabling Installation Services – Lackland (149th Fighter Wing)**.

Respondents shall carefully review this Addendum and all accompanying attachments and incorporate all applicable changes, clarifications, requirements, and revisions into their proposals.

This Addendum includes the following:

1. Vendor Questions & Responses

The attached **Vendor Questions & Responses**, provided by 502 CONS, contain official responses to vendor questions received during the solicitation period.

The Vendor Questions & Responses are hereby incorporated into and made part of the solicitation. Respondents shall consider all applicable responses when preparing their proposals.

2. Updated Statement of Work (SOW)

An **Updated Statement of Work (SOW)** provided by 502 CONS is included with this Addendum.

The Updated SOW included with this Addendum **supersedes and replaces the previously issued Statement of Work in its entirety**.

Respondents shall prepare their proposals based upon the Updated SOW and all requirements incorporated through this Addendum.

3. Davis-Bacon Wage Requirements and Certified Payroll

Davis-Bacon prevailing wage requirements will apply to this project.

Respondents shall comply with all applicable Davis-Bacon prevailing wage requirements and incorporate the applicable wage requirements into their proposed pricing.

The awarded contractor will be required to maintain and submit **certified payroll documentation** in accordance with applicable Davis-Bacon requirements and project requirements.

The applicable Davis-Bacon Wage Determination and/or related wage requirements are incorporated into this solicitation.

Respondents are responsible for reviewing the applicable wage requirements and ensuring their proposed labor rates and overall pricing account for these requirements.

4. Updated Bid Sheet – Attachment G

An **Updated Bid Sheet (Attachment G)** is issued with this Addendum.

Respondents **must use the updated Attachment G** when preparing and submitting their proposal.

The updated Attachment G **supersedes and replaces the previously issued version of Attachment G.**

Respondents shall ensure that all pricing submitted on the updated Bid Sheet reflects the requirements of the Updated SOW, applicable Davis-Bacon wage requirements, Vendor Questions & Responses, and all other requirements and clarifications incorporated through this Addendum.

5. Technical Approach – Required Proposal Item

A Technical Approach is a required component of the proposal submission.

Respondents shall provide a Technical Approach describing their proposed means and methods for successfully completing the work.

At a minimum, the Technical Approach should address:

- Proposed means and methods for completing the work;
- Estimated material quantities;
- Proposed installation methodology;
- Coordination and sequencing of the work, as applicable; and
- Any additional information necessary to support or explain the Respondent's proposed solution.

An **Example Technical Approach** is included for reference only.

Respondents are **not required to follow the exact format of the example** and may submit their Technical Approach in any format they believe best communicates their proposed solution, including narratives, spreadsheets, tables, diagrams, or similar documentation.

Unless otherwise specified in the solicitation or this Addendum, **there is no prescribed format for the Technical Approach.**

6. Proposal Submission Deadline Extension

The proposal submission deadline for **RFP-26-02-JBSA** is hereby extended.

Previous Proposal Submission Deadline: August 21, 2026, at 4:00 p.m. CDT

Revised Proposal Submission Deadline: August 25, 2026, at 4:00 p.m. CDT

The revised deadline supersedes all previously issued proposal submission deadlines for this solicitation.
